Thunderstorm Advisory in Effect; Practice Caution

The National Weather Service (NWS) Guam Weather Forecast Office issued a **thunderstorm advisory**, in effect for the Guam International Airport until 11:30 p.m. this evening.

Thunderstorms are possible or occurring within 20 nautical miles of the airport. Be alert and take precautions as required. Tonight is expected to be mostly cloudy with scattered showers and isolated thunderstorms.

The Offices of Guam Homeland Security and Civil Defense (GHS/OCD) advise the community to practice caution while traveling in rainy conditions, driving below the speed limit and allowing enough braking distance between vehicles.
